the manuals of the temples at Melkote and Kaluna, the charge involved being ~~to be~~ debited to the temples concerned.

4 92 is a point for consideration whether four months are necessary for the compilation of the manuals of the temples in question, as much original work has already been done by Messrs Narasimha & Ayyangar. Sanction, ~~with the above~~ ~~suggestion~~ Such includes in regard of the temples at Melkote, which are working with a minus balance.

6 Whether the same rate of allowance & remuneration should be continued is also for consideration, in view, as pointed out above, to the good work done by the compilers already. The A.R.C. may perhaps be requested to state whether any remuneration he would recommend for bringing the compilations in line with the other manuals
